About the presenters

Deb Rouget is the CEO of Belonging Matters. For nearly 30 years, she has been involved in the lives of people with a disability and their families and has gained much practical experience and wisdom about imagining and designing supports that enable people with a disability to have typical opportunities in the community.

Teresa Micallef has always chosen to work at the cutting edge of change in community, and has worked alongside people with disabilities and their families for over 20 years. She has been the Coordinator of a family governed service called Living Distinctive Lives for the past 9 years. Currently she is the Project Manager of Building Community Networks at Belonging Matters.

Through their varied work, both Teresa and Deb have learnt what it takes to facilitate conversations, meetings and Circles of Support which aim to establish, maintain and harness people's enthusiasm and skills to enable a full, meaningful and inclusive life for those they support.
